

**GOVERNMENT OF INDIA
MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP**

LOK SABHA

**UNSTARRED QUESTION NO. 3066
TO BE ANSWERED ON 16.03.2016**

SKILL DEVELOPMENT IN AVIATION SECTOR

3066. SHRI PRAHLAD SINGH PATEL:

Will the Minister of SKILL DEVELOPMENT AND ENTREPRENEURSHIP be pleased to state:

- (a) whether there is a talent crunch in the aviation sector in the country;
- (b) if so, the details thereof including the various identified segments in the aviation sector;
- (c) whether the Government considers to simplify the standalone approach for selecting youths for skill development for aviation sector in the country; and
- (d) if so, the details thereof and if not, the reasons therefor?

ANSWER

**MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF
SKILL DEVELOPMENT AND ENTREPRENEURSHIP
(SHRI RAJIV PRATAP RUDY)**

(a) & (b) The Ministry of Civil Aviation has had a comprehensive skill gap analysis in the civil aviation sector and to formulate a road map. The draft report has identified possible skill requirements in areas such as airport, airlines, MRO (maintenance, repair and operations), cargo and ground handling. Draft Report indicates that by 2035, the Indian Civil Aviation sector (across the study segments of Airport, Airlines, Cargo, MRO and Ground Handling) would employ 0.8 to 1 million personnel directly and another 3 million indirectly (for 1 direct job about 3.5 indirect jobs are created), after factoring in the likely improvements in economic output and labour productivity.

(c) & (d) The Government has facilitated setting up Aerospace and Aviation Sector Skill Council to create Occupational Standards, develop competency framework, conduct Train the Trainer Programs, and Assess and Certify trainees on the curriculum aligned to National Occupational Standards developed by them. National Skill Development Corporation approved Training Providers (TPs) are providing Training in aviation sector. So far, 1430 persons have been trained by TPs in aviation sector.
