**ANSWER  
THE MINISTER OF HEALTH AND FAMILY WELFARE  
(SHRI JAGAT PRAKASH NADDA)**

- (a): In accordance with the provisions of the Drugs & Cosmetics Act, 1940 and Rules made thereunder, the sale of drugs in the country is regulated by State Licensing Authorities. Accordingly, drugs specified in Schedule H, H1 or Schedule X can not be sold except on and in accordance with the prescription of a Registered Medical Practitioner. The supply of prescription drugs can be effected only by or under the personal supervision of a registered pharmacist from a licensed premises.
- (b): Food and Drug Administration, Maharashtra has taken regulatory action against Snapdeal, Amazon and Flipkart which were found to be selling/distributing medicines to consumers through internet without valid sales bill and requisite licenses.
- (c): A number of representations have been received from Chemists and Druggist associations against online sale of prescription drugs. Similarly, a number of representations have also been received to permit such sales.
- (d) & (e): No such proposal is presently under consideration of the Government and online sale of drugs can be permitted only after appropriate mechanism is established to address the risks and concerns related to such sales.
