ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) FOR ENVIRONMENT, FOREST AND CLIMATE CHANGE

(SHRI PRAKASH JAVADEKAR)

- (a), (b) & (c) As per the Environmental Impact Assessment (EIA) Notification, 2006, building and construction projects having built up area equal to and more than 20,000 m² and less than 1,50,000 m² are listed under item 8 (a) of the schedule of the said notification. Townships and area development projects covering an area equal to and greater than 50 ha and or built up area equal to and greater than 1,50,000 m² are listed under item 8 (b) of the schedule. These are Category 'B' projects and prior environmental clearance is mandatory from State level Environmental Impact Assessment Authorities (SEIAAs). Government is preparing a new policy guideline and issue fresh notification as necessary.
