(e) if so, the details thereof?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI HARIBHAI PARTHIBHAI CHAUDHARY)

(a) to (e): Amendments in criminal justice system is a continuous process to make the laws in sync with the social changes. The amendments in the Indian Penal Code (IPC) and the Code of Criminal Procedure (CrPC) are carried out from time to time based on the recommendations of the Law Commission of India, various Court Judgements and the reports of any other Committees specially constituted for the purpose. The Law Commission of India has been requested to undertake a comprehensive review of the criminal justice system and give a comprehensive report covering all aspects of criminal law so that comprehensive amendments can be made in the various laws viz. Indian Penal Code, Code of Criminal Procedure and the Indian Evidence Act, etc. The Law Commission has since informed that they have identified certain focus areas of deliberations.
