**ANSWER**

**MINISTER OF STATE IN THE MINISTRY OF RAILWAYS**

**(SHRI MANOJ SINHA)**

**(a) to (c): No instructions have been issued to withdraw and exclude the food charges in the tickets of all Rajdhani and Shatabdi trains. However, as announced in Rail Budget 2016-17, Railways have decided to explore the possibility of making mandatory catering services optional. In order to widen the range of food options available to passengers and to mitigate passengers' complaints in regard to catering services, E-catering service has been introduced, through Indian Railway Catering and Tourism Corporation (IRCTC) in trains without pantry car or Train Side Vending as well as on 45 designated stations from where passengers of originating/passing trains can avail of this facility. IRCTC has tied up with renowned, reputed and established brands in the field of catering services so that the passengers can order good quality and hygienic food of their choice on payment basis. Further, to proliferate e-catering services, this scheme is being extended to all A1 and A category Railway stations.**
