- (a) Project 'Mausam' is the initiative of Ministry of Culture to be implemented by the Archaeological Survey of India (ASI) as the nodal agency with research support of the Indira Gandhi National Centre for the Arts (IGNCA) and National Museum as associate bodies. This project aims to explore the multi-faceted Indian Ocean 'world' – collating archaeological and historical research in order to document the diversity of cultural, commercial and religious interactions in the Indian Ocean – extending from East Africa, the Arabian Peninsula, the Indian Subcontinent and Sri Lanka to the Southeast Asian archipelago. It also aims to promote research on themes related to the study of Maritime Routes through international scientific seminars and meetings and by adopting a multidisciplinary approach. It aims to encourage the production of specialized works, as well as publications for the general public with an attempt at promoting a broader understanding of the concept of a common heritage and multiple identities. An objective of the project is to prepare a dossier for trans-national nomination as World Heritage. The time of commencement and completion of the Project Mausam as per SFC Memorandum is April 2015 and March 2017 respectively. Total cost of the project as per SFC approval is Rs. 150, 244, 502/-.
- (b) The Government has identified 39 countries (list given in **Annexure-I**) to bring on board for trans-national nomination for World Heritage but still has not entered into partnerships. There are no specific reasons for not entering into partnerships as such

initiatives depend on various discussions and approvals from the country concerned once they are approached.
