THE MINISTER OF STATE (INDEPENDENT CHARGE)
OF THE MINISTRY OF COMMERCE & INDUSTRY
(SHRIMATI NIRMALA SITHARAMAN)**

(a) & (b): The Government vide Press Note 3 (2016) (**Annexure**) issued on 29.03.2016 introduced Guidelines for Foreign Direct Investment (FDI) on e-commerce, in order to bring clarity to extant FDI policy on the sector.

100% FDI under automatic route is permitted in marketplace model of e-commerce and FDI is not permitted in inventory based model of e-commerce.

(c) to (e): FDI in retail sector including e-commerce has been opened in a calibrated manner to maintain level playing field between brick and mortar stores and e-commerce entities. Further, review of FDI policy is an ongoing process and significant changes are made in the FDI policy on different sectors, from time to time, to ensure that India remains increasingly attractive and investor-friendly investment destination. Changes are made in the policy after having intensive consultation with stakeholders including concerned Ministries/Departments, Apex Industries Chambers and other organizations.

Press Note No 3 (2016 Series)

Subject: Guidelines for Foreign Direct Investment (FDI) on E-commerce

As per the FDI policy, contained in the 'Consolidated FDI Policy Circular 2015' (FDI Policy) as amended from time to time, FDI up to 100% under automatic route is permitted in Business to Business (B2B) e-commerce. No FDI is permitted in Business to Consumer (B2C) e-commerce. However, FDI in B2C e-commerce is permitted in following circumstances:

- i) A manufacturer is permitted to sell its products manufactured in India through e-commerce retail.
- ii) A single brand retail trading entity operating through brick and mortar stores, is permitted to undertake retail trading through e-commerce.
- iii) An Indian manufacturer is permitted to sell its own single brand products through e-commerce retail. Indian manufacturer would be the investee company, which is the owner of the Indian brand and which manufactures in India, in terms of value, at least 70% of its products in house, and sources, at most 30% from Indian manufacturers.

2.0 In order to provide clarity to the extant policy, guidelines for foreign direct investment on e-commerce sector have been formulated and are enumerated below:

2.1 Definitions:

- v) An e-commerce entity will not permit more than 25% of the sales affected through its marketplace from one vendor or their group companies.
- vi) In marketplace model goods/services made available for sale electronically on website should clearly provide name, address and other contact details of the seller. Post sales, delivery of goods to the customers and customer satisfaction will be responsibility of the seller.
