Rule 25(2)(iv) of the Contract Labour (Regulation & Abolition) Central Rules, 1971 , stipulates that the rates of wages payable to the contract labour shall not be less than the rates prescribed under Minimum Wages Act, 1948 and for such employment where applicable and where the rates have been fixed by agreement, settlement or award, no less than the rates so fixed.

(d) & (e): Considering the reality of industrial practices as well as the wage security for the contract workers, was under consideration of the Government. After due deliberation, Ministry of Labour have issued a draft Notification for amending Rule 25(2)(iv) of the Contract Labour (Regulation & Abolition) Central Rules, 1971 to give effect to the above stated objective and comments of the stakeholders have been solicited vide Notification No.G.S.R 368(E) dated 30.03.2016. The final notification will accordingly be issued after consideration of the suggestions.
