

**GOVERNMENT OF INDIA
MINISTRY OF RAILWAYS**

**LOK SABHA
UNSTARRED QUESTION NO. 1819
TO BE ANSWERED ON 04.05.2016
WATER CONSUMPTION CENTRES**

1819. SHRI OM BIRLA:

Will the Minister of RAILWAYS be pleased to state:

- (a) whether the Railways has conducted audits of water consumed by it during 2015-16;**
- (b) if so, the details of the places audited and also those which are yet to be audited;**
- (c) the key outcome of the audits;**
- (d) the zone-wise details of the water consumed by the Railways in the last three years, year and zone-wise; and**
- (e) the other steps taken to reduce consumption of water by avoiding wastage?**

ANSWER

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI MANOJ SINHA)

- (a) & (b) For optimum and economical utilization of water, Railways have identified 152 main water consumption centres for water audit and water audit of 95 consumption Centres have been completed during 2015-16. The details are appended.**
- (c) As a result of audit, the locations/Centres having scarcity of water as well as excess supply of water, along with reasons for the same, have been identified.**

(d) Indian Railways has 8495 stations and other establishments/institutions spread over length and breadth of country. To meet demand of water of these settlements, Railways are using various sources for water like bore-well, municipal supply, tankers, rivers/dams etc. Although accountal of water received from the municipality is maintained but it is practically not feasible to have accountal of water taken from other sources like bore-well, dams/rivers etc.

(e) The steps taken to avoid wastage of water are as under:

- i) Water Recycling Plants have been set up/planned at such locations where water is scarce and provision of the same is economically justified.**
- ii) Replacement of old worn out leaky pipe line and old worn out leaky MS overhead tanks.**

APPENDIX REFERRED IN REPLY TO PARTS (a) & (b) OF UNSTARRED QUESTION NO. 1819 BY SHRI OM BIRLA TO BE ANSWERED IN LOK SABHA ON 04.05.2016 REGARDING WATER CONSUMPTION CENTRES

Centres Identified for Audit	Balance Locations For Water Audit
