

**GOVERNMENT OF INDIA  
MINISTRY OF HEALTH AND FAMILY WELFARE  
DEPARTMENT OF HEALTH AND FAMILY WELFARE**

**LOK SABHA  
UNSTARRED QUESTION NO. 2193  
TO BE ANSWERED ON 6<sup>TH</sup> MAY, 2016**

**HIGH RISK DISEASES**

**2193. SHRI VINOD LAKHAMASHI CHAVDA:**

Will the Minister of **HEALTH AND FAMILY WELFARE** be pleased to state:

- (a) whether the Government has identified the high risk diseases prevailing in the country and if so, the details thereof along with the number of persons suffering from such diseases, State/UT-wise; and
- (b) whether the Government proposes to give benefit to the middle class people affected from such diseases and if so, the details thereof?

**ANSWER  
THE MINISTER OF HEALTH AND FAMILY WELFARE  
(SHRI JAGAT PRAKASH NADDA)**

(a): High risk diseases are attributable to both Communicable and Non-Communicable Diseases.

Number of reported cases in major communicable diseases like Malaria, Dengue, Chikungunya, Japanese Encephalitis, Leprosy, TB and HIV/AIDS are given at Annexures-I to VII.

For Non-Communicable Diseases, based on Disease Burden study in 2006, Indian Council of Medical Research has estimated the burden of important non-communicable diseases as under:

<b>Disease</b>	<b>No. of cases (in lakhs)</b>	<b>Prevalence per thousand</b>
<b>Ischemic Heart Disease (IHD)</b>	<b>224</b>	<b>37.0</b>
<b>Diabetes</b>	<b>378</b>	<b>62.47</b>

The State-wise data on the non-communicable diseases (except cancer) are not maintained centrally.

The estimated incidence of cancer cases are given at Annexure VIII.

(b): While health is a State Subject, the Central Government assists the States for strengthening of healthcare system and combating diseases. Some of the steps taken are:-

- I. Implementing various disease control programmes which provide for affordable treatment of the relevant diseases.
- II. Providing AMRIT outlets with an objective to make available Cancer and Cardiovascular drugs and implants at reasonable prices to the patients.
- III. Supporting State level initiatives in free drugs and diagnostics.
- IV. Providing financial assistance to Below Poverty Line (BPL) patients is under the Rashtriya Arogya Nidhi (RAN).
- V. Providing smart card based cashless health insurance.

## State/UT-wise number of reported Malaria Cases in the Country
