ANSWER

Minister of State in the Ministry of Finance (SHRI JAYANT SINHA)

(a) Government has put in place a policy framework on Foreign Direct Investment (FDI), which is transparent, predictable and easily comprehensible. The Department of Industrial Policy & Promotion (DIPP), makes policy announcements on FDI through Press Notes/Press Releases which are notified by Reserve Bank of India as amendments to the Foreign Exchange Management (Transfer or Issue of Security of Persons Resident Outside India) Regulations, 2000.

Foreign investment in most of the sectors is already under automatic route and Government approval is required for only few sectors which are listed in the Consolidated FDI policy Circular of 2015 as amended from time to time through Press Notes. All these are available on the website of Department of Industrial Policy and Promotion (DIPP) at www.dipp.nic.in → Acts and Rules → Press Notes/FDI Circular.

(b) FDI Data is compiled by DIPP. The last five years data on FDI equity inflows under automatic route and data on total FDI inflows are given as below:
