SCHEDULED CASTES SUB PLAN/TRIBAL SUB PLAN

The erstwhile Planning Commission had issued guidelines on formulation, implementation and monitoring of SCSP/ TSP from time to time. Scheduled Castes Sub Plan (SCSP) for Scheduled Castes (SCs) and the Tribal Sub Plan (TSP) for the Scheduled Tribes (STs) are intended to channelize the flow of resources from the general sectors in the Central Ministries/ Departments towards the development of Scheduled Castes and Scheduled Tribes, at least in proportion to their numbers in the population, both in physical and financial terms. The allocation under these components is provided for the purpose of creating productive assets, human resource development of the Scheduled Castes and Scheduled Tribes through adequate education and health services, and to provide physical and financial security against all types of exploitation and oppression.

2. Government had taken the initiative to make separate allocations for the Scheduled Castes Sub Plan (SCSP) and Tribal Sub Plan (TSP) as part of the Plan allocations from the financial year 2011-12. Government has devised a proper accounting mechanism to account for such allocations by opening dedicated Minor Head "Special Component for Scheduled Castes (Code 789)" and "Tribal Sub Plan (Code 796)". Instructions have been issued to the Ministries/ Departments in which such allocations are made by the Planning Commission, as part of the Plan Agreement in their Budget to ensure that the provisions are accurately reflected in the Minor Head concerned. The provisions made under these Minor Heads are not allowed to be re-appropriated, except to the same Minor Heads in other schemes under SCSP and TSP, thereby preventing any possibility of diversion.
