(a) & (c): No such specific cases of trafficking of poor and homeless children from India to some countries particularly Europe and Middle

East countries as slaves to serve as domestic servants in these countries, have been reported. However, there are some media reports that after the recent devastating earthquake, Nepali women and children are prone to be trafficked to Middle East and other destinations through India.

The Government of India has taken various steps to combat human trafficking and has adopted a multi-pronged approach alongwith concerned Ministries and stakeholders, as detailed below:-

(i) Enactment of Criminal Law (Amendment) Act, 2013, wherein Section 370 of the Indian Penal Code has been substituted with Section 370 and 370A of IPC which provide for comprehensive measures to counter the menace of Human Trafficking.

(ii) Establishment of Anti Human Trafficking Units(AHTUs) in 234 districts of the country.

- **SOP to handle trafficking of children for child labour dated 12.8.2013**
- **Advisory for associating SSB and BSF in crime meetings dated 23.7.2015.**

These advisories are available at MHA's Web Portal on Anti Human Trafficking (www.stophumantrafficking-mha.nic.in).

(iv) Holding of periodic meetings with Nodal Officers of AHTUs and concerned Ministries to review the efforts made to combat Human Trafficking.

(v) India is the signatory of United Nations Convention on Transnational Organised Crime (UNCTOC) and SAARC Convention on Preventing and Combating Trafficking in Women and Children for Prostitution.

(vi) Indian Mission is in regular contact with the Nepalese Security Agencies for preventing cross-border crimes like trafficking.

(d) & (e): A Memorandum of Understanding(MoU) between India and Bangladesh on Bi-lateral Cooperation for Prevention of Human Trafficking in Women and Children, Rescue, Recovery, Repatriation and Re-integration of Victims of Trafficking was signed in 6th June, 2015.
