

**GOVERNMENT OF INDIA
MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY
DEPARTMENT OF TELECOMMUNICATIONS**

**LOK SABHA
UNSTARRED QUESTION NO.2911
TO BE ANSWERED ON 11TH MAY, 2016**

LOW FREQUENCY SPECTRUM

2911. SHRI ANANDRAO ADSUL:
SHRI ADHALRAO PATIL SHIVAJIRAO:
SHRI DHARMENDRA YADAV:

Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

- (a) whether the telecom companies are surrendering low frequency spectrum;
- (b) if so, the details thereof and the reasons therefor;
- (c) whether such surrendering of spectrum are causing network and call drop problems; and
- (d) if so, the details thereof and the reaction of the Government thereto?

ANSWER

**THE MINISTER OF COMMUNICATIONS AND INFORMATION TECHNOLOGY
(SHRI RAVI SHANKAR PRASAD)**

(a) & (b) Some of the telecom companies have applied for surrender of part of their spectrum holding in different frequency bands. M/s Tata Teleservices Limited has applied in 14 service areas in 800 MHz band. M/s Bharti Airtel limited in 2 service areas, M/s Vodafone Mobile Services limited in 1 service area and M/s Reliance Telecommunication Limited have applied in 1 service area in 1800 MHz band.

M/s Bharat Sanchar Nigam Limited (BSNL) has surrendered part of its spectrum holding in 800 MHz band in 4 service areas. BSNL has also surrendered its spectrum holding in 2500 MHz band in 6 service areas. M/s Mahanagar Telephone Nigam Limited (MTNL) has surrendered spectrum in 800 MHz and 2500 MHz bands in Delhi and Mumbai service areas.

(c) & (d) The surrendering of above spectrum is not likely to cause network and call drop problems.
