ANSWER

THE MINISTER OF STATE IN THE
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS

(SHRI PON. RADHAKRISHNAN)

(a) to (d) Yes, Sir. Govt. has decided to set up “1033” toll free national helpline for reporting road accidents and other issues related to National Highways. National Highways Authority of India (NHAI) has mandated Indian Highway Management Company Limited (IHMCL), a Company promoted by NHAI, to setup call centres for National Highways helpline. The project has been structured under following six zones -

Zones	States Covered	Location of Call Centre
West	Goa, Gujarat, Maharashtra, Rajasthan , Dadra and Nagar Haveli & Daman and Diu	Ahmedabad
South	Andhra Pradesh, Karnataka, Kerala, TamilNadu, Telangana, Andaman and Nicobar Island, Lakshadweep & Puducherry	Mysore
Delhi	Delhi, Uttar Pradesh, Uttarakhand & Madhya Pradesh	Mumbai
Chandigarh	Haryana, Himachal Pradesh, Jammu & Kashmir, Punjab & Chandigarh	Mohali
East	Bihar , Chhattisgarh, Jharkhand, Orissa & West Bengal	Work not awarded
Northeast	Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland, Sikkim & Tripura	Work not awarded

The call centres are not fully operationalized due to technical issues related to declaration of “non-metered” incoming calls by Department of Telecommunication (DOT). The call centre agencies are encountering difficulties in routing of calls by Telecom Service Providers (TSPs). IHMCL has invited fresh bids for work award.
