**ANSWER**  
**MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT**  
**(SHRI SUDARSHAN BHAGAT)**

(a)&(b): At present, there is no proposal pending in the Ministry, including from the State of Maharashtra and Uttar Pradesh. State-wise details of proposals received and cleared with reasons for pendency is at **Annexure-I**.

c)&(d): Maintenance of rural roads is the responsibility of the concerned state. As per PMGSY guidelines, the responsibility for construction as well as post construction 5year maintenance of constructed/upgraded roads lies with same contractor. The funds for the sanctioned projects are made available to the State Government concerned, in two installments. The State Government further transfers these funds to State Rural Road Development Agency (SRRDA). The first installment amounting to 50% of the sanctioned value of projects, (or annual allocation whichever is lower) is released subject to fulfilment of conditions, if any, stipulated earlier. The second installment is released to State Governments on utilization of 60% of available funds and submission of certain necessary documents. State-wise and year details of funds released and expenditure incurred during the last three years, including Maharashtra and Uttar Pradesh are at **Annexure-II**.

(e): All State Governments are advised in various Regional Review Meetings and Empowered Committee Meetings to take suitable necessary action to expedite works under PMGSY and to ensure full utilization of funds. The following steps have been specifically taken by the Ministry in this direction:

- (i) States have been advised to augment executing capacity.
- (ii) Bidding Document provisions have been rationalized.
- (iii) Training has been imparted to field engineers including contractors & their staff for capacity building.
- (iv) Regular and structured review of physical and financial parameters are held where the problems posed by the States are addressed.

State-wise and year-wise details of physical and financial target and achievement under PMGSY, including the State of Uttar Pradesh is at **Annexure-III**.

(f): Complaints related to various facets of PMGSY, including that of low quality of roads constructed under PMGSY are received from time to time. As per Programme Guidelines, the execution of road works according to the prescribed quality, is the responsibility of the State Governments, who are implementing the Programme. All such complaints are therefore, referred to the State Quality Coordinators (SQC) of respective States for taking necessary action and furnishing report. In case an adequate response is not received within the stated time schedule, the National Rural Roads Development Agency (NRRDA) deputes National Quality Monitors (NQMs) and further processing is done on the basis of NQM report. State-wise and Year-wise details of complaints vis-a-vis action taken for the period, 2013-14, 2014-15, 2015-16 & 2016-17 (upto 25<sup>th</sup> April, 2016) are at **Annexure-IV**.
