(a) & (b): A statement is attached.

**STATEMENT REFERRED TO IN REPLY TO PARTS (a) & (b) OF LOK SABHA
UNSTARRED QUESTION NO. 934 FOR ANSWER ON 29.4.2016**

The government has entered into contracts with few Israeli firms for supply of defence equipment with Transfer of Technology or work-share arrangements. The divulgence of details will not be in the interest of national security.

In addition, Defence Research & Development Organisation (DRDO) has several defence Research & Development programmes with Directorate of Defence Research and Development (DDR&D), Israel. Under this, Israel shares technology information, know-how, know-why and undertakes collaborative research projects. DRDO and DDR&D meet annually under the aegis of Indo-Israel Management Council (IIMC) to pursue and discuss defence R&D activities.
