ANSWER

MINISTER OF HUMAN RESOURCE DEVELOPMENT

(SMT. SMRITI ZUBIN IRANI)

(a) to (d): The stated policy of the Government is that education is a 'not-for-profit' activity. Presently, private sector participation exists in the funding and management of educational institutions as long as surplus earned is reasonable and the same is ploughed back for development of institution. Section 13 of the Right of Children to Free and Compulsory Education (RTE) Act, 2009 clearly prohibits the collection of any capitation fee. Similar steps have been taken in higher education. UGC has issued several regulations, such as, UGC Establishment and Maintenance of Standards in Private Universities, 2003; UGC (Institutions Deemed-to-be Universities) Regulations, 2010 and UGC Institutions Deemed-to-be Universities (Amendment) Regulations, 2014 and AICTE has issued AICTE(Establishment of Mechanism for Grievance Redressal) Regulation,2012. There is no proposal under consideration of the Ministry, as of now, on changing the present rules and regulations.
