(a) to (e) A Statement is laid on the Table of the House.

**STATEMENT REFERRED TO IN REPLY TO PARTS (A) TO (E) OF LOK SABHA STARRED QUESTION NO. 243 TO BE ANSWERED ON 03.08.2016 ASKED BY SHRI S. R. VIJAYAKUMAR AND SHRI DEVAJIBHAI G. FATEPARA REGARDING FUNDS UNDER PMKVY**

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) 2015-16 had a target to cover 24 lakh youth in the country. The scheme was implemented by National Skill Development Corporation (NSDC) with the objective to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood. Individuals with prior learning experience or skills were also assessed and certified under Recognition of Prior Learning (RPL) category.

The total numbers to be trained under the scheme was 24 lakhs spread across Fresh Training (14 lakhs) and Recognition of Prior Learning (10 lakhs). Under the scheme, as on 28<sup>th</sup> July 2016, a total of 17.94 lakh candidates (under Fresh Training) have been enrolled, 17.93 lakh have been trained and 11.9 lakh have been certified (**Annexure-I**).

Under the scheme, monetary reward was provided to trainees who are successfully trained, assessed and certified in skill courses run by affiliated training providers. It also sought to significantly scale up skill training activities in the country and enable skill training to happen at a fast pace without compromising quality. Institutional arrangements comprising of the National Skill Development Corporation (NSDC), Sector Skill Councils (SSCs), Assessing agencies and Training Partners were put in place for implementation of the scheme.

Recently, the Union Cabinet in its meeting on 13<sup>th</sup> July, 2016, has approved the new version with modification and continuation of the Pradhan Mantri Kaushal Vikas Yojana (PMKVY) as 'Skill Development Component' of umbrella PMKVY to skill one crore people over the four years (2016-2020) with an outlay of Rs.12,000 crore. The Scheme will be completely aligned to the Common Norms as notified with the approval of Cabinet on 15<sup>th</sup> July, 2015, and amended from time to time. Also, the Common Norms provide for incentives in the form of reimbursement of conveyance costs to Special Groups which includes Women, SC/ST and Physical Handicapped candidates. Further, the scheme also provides for boarding and lodging of candidates from North East States, Left Wing Extremism affected districts, Persons with Disabilities (PwD) and others in accordance with the Common Norms guidelines.

As PMKVY is a nation-wide scheme, NSDC does not capture State-wise and item-wise expenditure incurred under the scheme. However, funds amounting to Rs.935 crore (Rs.435 crore in 2015-16 and Rs.500 crore in 2016-17) have been allocated to NSDC for PMKVY, till 30<sup>th</sup> June, 2016.

Under the PMKVY 2015-16 there was no State component for allocation of funds to State Governments. However, under PMKVY 2016-20 in order to address the unique skill requirements of different States, funds are being directly allocated to State Governments through a project based approach, with 25% of the total training targets, both financial and physical. The States are expected to finalize projects based on critical gaps in skilling within their States in terms of sectors, job roles, geography etc. and strictly follow Common Norms for arriving at the project cost.
