(d) & (e): The condition of the Sports Hostels and sports infrastructure in some SAI Training Centres (STC) is not very good and there are complaints regarding poor upkeep of these Centres. According to information available, the condition of the hostel building at STC Alwar, STC Bhiwani, STC Medikeri, Special Area Games (SAG) Alleppy is not good.

As per the MoU signed between SAI and the State Government, the responsibility to maintain the sports infrastructure of the SAI Training Centres (STC) lies with the concerned State Government, but some State Governments could not maintain the sports facilities and over a period of time and the same has become dilapidated.

While implementing the Scheme, SAI has made a provision of Annual Maintenance Grant for each of its training centres which has recently been enhanced for the regular upkeep of sports infrastructure in the Centre.

Based on the complaints received, and report from field the Centres which require major repairs/renovation, their proposals are examined on case to case basis for repairs.

For instance, the hostel building of STC, Alwar and STC, Bhiwani which require major repairs were taken up during 2015-16 and repairs to the tune of Rs 50 lacs and Rs 25 lacs respectively are being carried out. Similarly, Regional Director, SAI Southern Centre, Bangalore, has taken up the repair works of STC, Dharwad and STC, Medikeri recently.

In order to pay special attention to all the training centres, SAI decided during 2015-16 to provide additional funds to the tune of Rs 25 lacs to each of the Regional Centres to take up immediate repairs/ face lift of the training centres to make them suitable for the training programmes.
