17(Rs. In Cr.)									

(b): The following measures have been taken by CIL to bring down the production cost of coal:

- 1. A cost control cell has been established in Coal India Limited Headquarter (CIL HQ) and all its subsidiaries.
- 2. E-reverse auction for finalization of contracts for explosives implemented.
- 3. Adoption of mechanization in both underground and opencast mines.
- 4. Converting unsafe, unviable underground mines into opencast mines.
- 5. Global Positioning System (GPS)/GPRS based vehicle tracking system, electronic surveillance by Closed-circuit television (CCTV), radio frequency identification (RFID) based boom barrier and reader & electronic weighbridges have been deployed at various subsidiaries for effective monitoring.
- 6. Higher size Heavy Earth-Moving Machinery (HEMM) has been planned to be deployed in major open cast projects for maximum extraction of coal economically.
- 7. Benchmarking of power and diesel consumption.

(c): As per the information received from the Department of Revenue, Ministry of Finance, Clean Environment (Energy) Cess was imposed under section 83 of Finance Act 2010 on coal, lignite and peat. The cess came into force w.e.f 01.07.2010. The information on clean environment cess under Indirect Tax collection during financial years 2010-11 to 2016-17 (upto June) are as given below:

(d) & (e): The purpose of clean energy/environment cess was for financing and promoting clean energy initiatives, funding research in the area of clean energy, or for any other purpose relating thereto. The accruals of clean energy / environment cess are managed under National Clean Energy Fund (NCEF) under Department of Expenditure, Ministry of Finance and an Inter-Ministerial Group (IMG) constituted under the Chairmanship of Secretary (Expenditure) considers the proposals for funding under NCEF. The guidelines were amended in June 2014 to enable financing of schemes/programmes of the Ministry of New and Renewable Energy (MNRE). Accordingly, following funds were provided from NCEF to the budget of MNRE. Amount collected under NCEF is not being transferred to the respective coal bearing States.
