The details of various schemes of the Ministry and funds allocated / sanctioned, released and utilization reported by the States/UTs under these schemes are available in the Annual Reports of the Ministry for the respective years. The copies of these Reports are available in the Library of Lok Sabha Secretariat and are also available on the Ministry's website viz. www.wcd.nic.in.

The details of budget allocation (Budget Estimates - BE) and Revised Estimates (RE) and funds released / expenditure incurred under the schemes of the Ministry during the last three financial years 2013-14, 2014-15, 2015-16 and the current year 2016-17 are as under:

(e): Review Meetings with Women and Child Development Departments of State Governments / UT Administrations are held to discuss the issues for effective implementation of the programmes and schemes to expedite beneficiary coverage and proper fund utilization. Regional level consultations are also held to discuss issues concerning implementation of schemes. The monitoring reports received from States are analysed in the Ministry. The problem areas are communicated to concerned States/UTs for taking corrective actions. In addition, regular State visits are conducted by the Ministry's officials in order to understand the implementation problems being faced by States/UTs. The Centrally Sponsored Schemes (CSS) are monitored with the State Governments/UT Administrations including operationalisation of sanctioned projects. The Central Sector Schemes of the Ministry, which have inbuilt monitoring mechanism, are also periodically reviewed for their proper and better implementation.
