ANSWER

वाणिज्य एवं उद्योग राज्यमंत्री (स्वतंत्र प्रभार)(श्रीमती निर्मला सीतारमण)

**THE MINISTER OF STATE (INDEPENDENT CHARGE)
OF THE MINISTRY OF COMMERCE & INDUSTRY
(SHRIMATI NIRMALA SITHARAMAN)**

- (a) to (c):** Traditional Ayurvedic medicines are not patentable in view of the provisions of Section 3(p) of the Patent Act, 1970 ('the Act'). This section provides that an invention which, in effect, is traditional knowledge or which is an aggregation or duplication of known properties of traditionally known component or components is not an invention within the meaning of the Act. Herbs, as such, also cannot be patented in view of provisions of section 3(j) of the Act. This section provides that plants and animals in whole, or any part thereof, other than micro-organisms but including seeds, varieties and species and essentially biological processes for production or propagation of plants and animals are not inventions within the meaning of the Act. However, patents can be granted to formulations based on products related to Ayurvedic / Herbal-based inventions, or processes related thereto, which fulfill the criteria of patentability as per the Act. Details of patents granted to formulations/processes related to products of herbs/plants are given at Annexure-I.
- (d) :** The Ministry of AYUSH has set up 'Central Council for Research in Ayurvedic Sciences' (CCRAS), an apex body for the formulation, co-ordination, development and promotion of research on scientific lines in Ayurveda. At present in CCRAS, there is no specific scheme to award or encourage their Scientists for getting products patented. However, all the concerned Researchers are given due credit in the matter of Patent filing and Publication for new innovations in Ayurvedic Medicines.

ANNEXURE-I**ANNEXURE REFERRED TO IN REPLY TO PARTS (a) TO (c) OF THE LOK SABHA UNSTARRED QUESTION NO. 1161 FOR ANSWER ON 25.7.2016****Patents Granted for formulations related to Ayurvedic / Herbal-based Inventions**
