The central Government has not enacted any separate law to protect the interest of domestic workers. However the Central Government has enacted the Unorganized Workers' Social Security Act, 2008 for providing social security to all unorganized workers including domestic workers. The Act provides for formulation of social security schemes viz life and disability cover, health and maternity benefits & old age protection by the Central Government. The State Governments are mandated under the Unorganized Workers' Social Security Act, 2008 to formulate suitable welfare schemes for unorganized sector workers including domestic workers relating to provident fund, employment injury benefits housing, education schemes for children, skill up gradation of workers, financial assistance & old age homes.
