ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI HANSRAJ GANGARAM AHIR)**

(a) to (b): No such data is maintained centrally. ‘Public Order’ and ‘Police’ being State subjects as per the provisions of the Constitution of India, the responsibilities of maintaining law and order, registration and prosecution of crimes rest primarily with the respective State

Governments. Further, as and when any illegal/unauthorized construction is noticed, action against the same is taken by the concerned State Government.

(c) to (e): The Hon'ble High Court of Delhi in the matter of "Kalyan Sanstha Social Welfare Organisation Vs. UoI & Others" has appointed the Nodal Steering Committee to look into the matter of unauthorized constructions and encroachments. The Committee comprised of officers of Delhi Municipal Corporations viz (i) Addl. Commissioner (Engg.), (ii) Chief Vigilance Officer , (iii) Chief Town Planner, (iv) Chief Law Officer and committee meeting is held every month, which is attended by all the Zonal Deputy Commissioners wherein complaints/grievances relating to unauthorized construction and encroachment are reviewed and disposed of by the concerned zonal officer on priority basis and the action taken report in is submitted to the Committee. Further, Delhi Police are taking following corrective steps to curb unauthorized construction:-

(i) Wide publicity through media is being given for general public regarding the role of police being limited only to intimate the concerned agency in construction related matters. Delhi Police has noticed 29164, 22368 and 14982 cases of unauthorized construction for the years 2013, 2014 and 2015 respectively, which were brought to the notice of the concerned civic agencies.

- (ii) Strict departmental action is taken against erring police officers who are found indulging in such malpractices.**
- (iii) A helpline has also been set up to enable the public to lodge complaint against police personnel in this regard.**
