ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI HANSRAJ GANGARAM AHIR)**

- (a): The main criterion for providing security to VIPs is the threat perception emanating from terrorists/militant/fundamentalist outfits and organized criminal gangs or public office held by them.**

(b) & (c): Yes Madam, the Government has received a large number of requests from individuals, including public office holders and other dignitaries, for security cover for themselves or for other individuals. However, such requests are not separately collated from other receipts and therefore statistical information in this regard such as numbers received, State-wise, Year-wise break-up etc. is not maintained.

All such requests were examined in consultation with the Central security agencies, who carried out an assessment of threat and gave their recommendations. Based on the same, decisions were taken to provide Central security or request the State Government concerned to take necessary action.

(d): Revision of the guidelines is an ongoing process which is based on the experience gained and inputs/feed back received in this regard.

(e): Assessment of threat is a dynamic and continuous exercise.

However, as on 21.07.2016 the number of threat-based protectees

in the Central List is as under :

Category	No. of Protectees
Z+	31
Z	69
Y	136
X	56
Total	292
