ANSWER

MINISTER OF STATE FOR LAW AND JUSTICE AND ELECTRONICS AND INFORMATION TECHNOLOGY (SHRI P.P. CHAUDHARY)

(a) to (f): Based on the population as per Census 2011 and sanctioned strength of Judges / Judicial Officers in the Supreme Court, High Courts and District & Subordinate Courts as on 31.12.2015, the judge - population ratio in the country works out to be around 18 Judges / Judicial Officers per million population. Vacancy position of Judges of the Supreme Court

and High Courts (High Court-wise) as on 25.07.2016 is given in the Statement at **Annexure**– I. Vacancy position of Judges / Judicial Officers in District and Subordinate Courts (State / UT -wise) as on 31.12.2015 is given in the Statement at **Annexure** – II.

As per the information made available by the Supreme Court of India, 62,657 cases were pending in the Supreme Court as on 30.06.2016. As per information made available by the High Courts, details of pendency of cases in various High Courts and District / Subordinate Courts as on 31.12.2015 are given in the Statements at **Annexure – IV** respectively.

The subject matters relating to Subordinate Judiciary including creation of Fast Track Courts, Evening Courts, Special courts *etc.* fall within the domain of the State Governments and High Courts concerned. On account of the concerted efforts made by all stakeholders the sanctioned strength of the Judicial Officers of District and Subordinate Courts has increased from 17,715 at the end of 2012 to 20,502 in December, 2015. The sanctioned strength of High Court Judges has increased from 906 judges in June 2014 to 1079 judges in June 2016.

The Supreme Court, in the case of Imtiyaz Ahmed *versus* State of Uttar Pradesh & Others, *inter-alia*, asked the Law Commission of India to evolve a method for scientific assessment of the number of additional courts to clear the backlog of cases. The Law Commission in its 245th Report recommended 'Rate of Disposal Method' for calculating adequate judge strength for District and Subordinate Courts. The matter is *sub-judice* before the Supreme Court, at present.

As per information received from Department of Personnel and Training, there is no proposal at present to issue directions to various Ministries / Departments for settlement of cases pending for more than three years amongst their employees.

Government has adopted a co-ordinated approach to assist judiciary for phased liquidation of arrears and pendency in judicial systems, which, *inter-alia*, involves better infrastructure for courts including computerisation, increase in strength of judicial officers / judges, policy and legislative measures in the areas prone to excessive litigation and emphasis on human resource development.

The matters relating to recruitment to the judicial services in the States fall within the domain of the High Courts and State Governments. An agenda item for creation of a Judicial Service Commission to help the recruitment to the post of district judges and review of selection process of judges / judicial officers at all levels was included in the agenda for the Chief Justices Conference, which was held on 03rd and 04th April, 2015. During the Conference, it was resolved to leave it open to the respective High Courts to evolve appropriate methods within the existing system to fill up the vacancies for appointment of District judges expeditiously.
