MINISTER OF STATE FOR POWER, COAL , NEW & RENEWABLE ENERGY & MINES
(SHRI PIYUSH GOYAL)

(a) & (b): Yes, Madam. This mobile app is a platform to register the service request by an individual/organization for installation, service or repair of a Solar Photovoltaic System or powerplant. The request is allotted to a trained Surya Mitra Technician, who in turn undertakes the required work. The National Institute of Solar Energy (NISE), Gurgaon, is the administrator of this App. This App can be downloaded from the Google Play Store.
