13.	Sanitation	<p>The project of World Bank Support to Swachh Bharat Mission (Gramin) has been approved by Union Cabinet on 23.3.2016 with project cost of Rs. 9000 crore. The Project basically provides for incentivising States on the basis of their performance in the Swachh Bharat Mission (Gramin). The performance of the States will be gauged through an independent survey based measurement of certain performance indicators, called the Disbursement-Linked Indicators (DLIs). The duration of the Project is five years i.e. from January 2016 to January 2021. As the World Bank supported incentivisation project has become effective only recently, no funds have been released yet to any State.</p>
