(c) & (d): Banks have been advised to sanction limits after proper appraisal of genuine working capital requirements of the borrowers keeping in mind their business cycle and short term credit requirements. Banks have also been urged to fix realistic repayment schedules on the basis of cash flows of the borrowers.

In order to provide a simpler and faster mechanism to address the stress in the accounts of MSMEs and to facilitate the promotion and development of MSMEs, Reserve Bank of India has issued guidelines on ‘Framework for Revival and Rehabilitation of Micro, Small and Medium Enterprises’ to banks for implementation

thereof. The revival and rehabilitation of MSMEs having loan limits up to Rs.25 crore is to be done in terms of these guidelines.
