THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND

(SMT. ANUPRIYA PATEL)**

(a): As informed by the Indian Council of Medical Research (ICMR), 1474 Assisted Reproductive Technology (ART) clinics have approached the National Registry of ART clinics and Banks. Out of these, 385 ART clinics are being enrolled as per the provisions of National ART Guidelines.

(b): Presently, National Guidelines for Accreditation, Supervision & Regulation of ART clinics in India, 2005, circulated by Ministry of Health and Family Welfare to regulate ART/IVF clinics, are in force.

(c) to (e): No specific case of IVF clinics duping childless couples through misleading advertisements has been reported. Detailed guidelines for regulation and supervision of Assisted Reproductive Technology (ART) / IVF clinics and instructions for commissioning of surrogacy in the country have been circulated to all State and Union Territory (UT) governments, based on which they are to monitor the functioning of such clinics in their respective States/UTs, and to take action against erring doctors and clinics, wherever required.
