**ANSWER**

**THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE  
(SHRI SUDARSHAN BHAGAT)**

- (a) No, Madam.
- (b) National Bank for Agriculture and Rural Development (NABARD) has informed that interest rates on loans and advances have been deregulated by Reserve Bank of India. With effect from 1<sup>st</sup> July 2010, banks are required to adjust their loans with reference to their Base Rate. However, in the case of crop loans upto Rs. 3.00 lakh for which interest subvention is available, banks charge farmers the interest rate as stipulated by Government of India.
- (c) and (d) No Madam, However, the Department of Animals Husbandry, Dairying & Fisheries is implementing Dairy Entrepreneurship Development Scheme (DEDS) through National Bank for Agriculture and Rural Development (NABARD). This is a credit linked scheme, wherein back ended capital subsidy at the rate of 25% for General category and 33.33% for SC/ST category is provided for various dairy related activities including purchasing of livestock subject to norms of the scheme. This helps in reducing the interest burden on the beneficiary.
