#### ANSWER

# MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS, SHIPPING, ROAD TRANSPORT & HIGHWAYS

## (SHRI MANSUKH L. MANDAVIYA)

(a): Yes, Madam. In order to find out reasonableness of Maximum Retail Price (MRP) fixed by P&K fertilizer companies under NBS Scheme, it has been made mandatory for all the P&K fertilizer companies to submit certified cost data along with their subsidy claims on six-monthly basis for each fertilizer grade. The cost data is scrutinized by duly appointed Cost Accountants and further analysed by the Cost Accounting division of the Department to see that the MRPs are reasonable.

(b): No, Madam. However, since under NBS policy, the P&K fertilizer companies have been allowed to fix MRP at reasonable level as per market dynamics, the Department in order to ensure reasonableness of prices has put the above procedure in place.

(c): Yes, Madam.

(d): The detailed criteria and procedure for ensuring reasonableness of MRPs of P&K fertilizers is as under:

- (i) The P&K fertilizer companies will submit cost data duly certified by their statutory Auditors/Cost Accountants, six monthly basis in the format developed by Fertilizers Industry Coordination Committee (FICC) in consultation with the Institute of Cost Accountants of India to Director (Cost Estimates), FICC.
- (ii) The cost data shall be provided to Cost Accountants appointed for this purpose for scrutiny and submission of report on the reasonableness of MRP.
- (iii) The reports received from the Cost Accountants are then evaluated by Director (CE), FICC.
- (iv) Based on the recommendations of the Director (CE), FICC the report is examined and reasonableness/unreasonableness of the MRP is notified.
