ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI HANSRAJ GANGARAM AHIR)**

(a): The number of persons arrested, the quantum of drugs and weapons seized, State-wise, including Punjab, as per the data available, is annexed at Annexure-A.

(b): The funds provided to the States for tackling drug trafficking in the last three years is annexed at Annexure-B.

(c) & (d): India's close proximity to the major opium producing regions of South West and South East Asia known as the 'Golden Crescent' (Pakistan-Iran-Afghanistan) and the 'Golden Triangle' (Thailand-Myanmar-Laos) makes it vulnerable to transit trafficking and consumption of opium derivatives in various forms along the known trafficking routes. There have been instances of drug trafficking from across the border along the Indo-Pak border in Punjab and Rajasthan also.

(e): The government has taken various initiatives such as coordinated intensive prevention and interdiction efforts along known drug routes, strengthening of surveillance on the borders, coordination with various law enforcement agencies like BSF, CRPF,

DRI, Central and State Excise and Customs agencies, increased international cooperation for exchange of information and investigative assistance, especially with the neighbouring countries and destruction of illicit poppy and cannabis cultivation of curb illegal trafficking of narcotics. Awareness programmes are carried out all over the country for demand reduction. Community based intervention for motivation and counselling, identification, treatment and rehabilitation of drug addicts are also conducted. De-addiction centres have also been set up for the treatment of drug addicts.
