ANSWER

THE MINISTER OF STATE FOR, PERSONNEL, PUBLIC GRIEVANCES AND PENSIONS AND PRIME MINISTER'S OFFICE (DR. JITENDRA SINGH):

- (a) &(b) Yes, Sir. A Protocol Additional to the Agreement between the Government of India and the International Atomic Energy Agency (IAEA) for the Application of Safeguards to Civilian Nuclear Facilities was signed on 15.05.2009 and entered into force with effect from 25.07.2014. Signing and ratification of the Additional Protocol allows India to build on the gains of the civil nuclear initiative to increase the contribution of nuclear energy in India's energy supply. It demonstrates India's support for nuclear nonproliferation and the safeguards system of the IAEA, of which India is a founding member.
- (c) &(d) No, Sir. There is no proposal to revisit the Civil Liability for Nuclear Damage Act, 2010. Some countries had earlier expressed concern over the issue of supplier's liability in our Civil Liability for Nuclear Damage Act, 2010. To address such concerns, clarification was provided by the Government along the lines of 'Frequently Asked Questions' (FAQs), posted on websites of Ministry of External Affairs and Department of Atomic Energy on 08.02.2015.
