

**GOVERNMENT OF INDIA
MINISTRY OF POWER**

**LOK SABHA
UNSTARRED QUESTION NO.3089
TO BE ANSWERED ON 04.08.2016**

NEEFP AND NEEAPP SCHEMES

3089. SHRI ANTO ANTONY:

**Will the Minister of POWER
be pleased to state:**

(a) whether the Government has recently launched two schemes namely National Energy Efficient Agriculture Pumps Programme (NEEAPP) and National Energy Efficient Fan Programme (NEEFP); and

(b) if so, the details including salient features of the schemes and the number of pumps and fans distributed under the said schemes, State-wise?

A N S W E R

**THE MINISTER OF STATE (INDEPENDENT CHARGE) FOR POWER,
COAL, NEW & RENEWABLE ENERGY AND MINES**

(SHRI PIYUSH GOYAL)

(a) & (b) : Energy Efficiency Services Limited (EESL), a joint venture company of four Power Sector PSUs, has designed innovative programmes, namely, Energy Efficient Fans Programme (EEFP) and Energy Efficient Agriculture Pumps Programme (EEAPP) for enhancing energy efficiency in domestic and agriculture sectors.

The EEFP has been launched from Andhra Pradesh followed by Uttar Pradesh. Under this programme, 50 watt fans are provided by EESL at Rs.1,150 per unit on upfront payment, or at total of Rs.1,200, if taken on equated monthly instalments (EMI). The EMI is adjusted against electricity bills of consumers. About 9,000 and 50,000 fans have already been distributed in the States of Andhra Pradesh and Uttar Pradesh respectively. EESL has also signed an agreement with Govt. of Tripura for distribution of energy efficient fans in the State.

The EEAPP has been launched by EESL to replace the old and inefficient pump sets of farmers free of cost. EESL would also provide smart control panels to enhance the ease of operation of pumps by the farmers. The energy efficient pumps, which are 4 or 5 star rated, ensure a minimum of 30% reduction in energy consumption. The reduction of energy consumption in agriculture would result in reduction in subsidy that the State Government provides to distribution companies. A part of the savings in subsidy is leveraged to service the investment of EESL over a 5-10 year period.

Details of proposals submitted by EESL to various States for implementation of EEAPP are given in Annex.

ANNEX

ANNEX REFERRED TO IN REPLY TO PARTS (a) & (b) OF UNSTARRED QUESTION NO. 3089 TO BE ANSWERED IN THE LOK SABHA ON 04.08.2016.

PROPOSALS SUBMITTED BY EESL TO VARIOUS STATES FOR IMPLEMENTATION OF EEAPP

Name of the State	Number of Agriculture Pumps (Lakhs)
Andhra Pradesh	2
Maharashtra	5
Punjab	1
Karnataka	5
Rajasthan	2
Jharkhand	1.6
Haryana	1
Madhya Pradesh	1
