MINISTER OF STATE IN THE MINISTRY OF SHIPPING
(SHRI PON. RADHAKRISHNAN)

(a)&(b): No, Madam

(c) Expansion, modernization and upgradation of Major Ports in the Country is a continuing process with a view to keep the ports abreast with new technologies and also to meet trade (traffic) requirements. The process inter-alia involves construction of new berths and terminals, mechanization of existing berth and terminals, capital dredging for deepening of drafts for attracting large vessels in port channels, road and rail connectivity etc. The infrastructure projects in ports are either awarded on PPP mode basis or major part of the cost of the projects is met out from the Ports' internal resources. Government Budgetary Support (GBS) is provided to ports in respect of some of the projects, basically relating to capital dredging, connectivity etc.

(d)&(e):The question does not arise.
