उत्तर

ANSWER

वस्त्र राज्य मंत्री (श्री अजय टम्टा)
MINISTER OF STATE FOR TEXTILES
(SHRI AJAY TAMTA)

(a) & (b): Yes, madam, the recent spurt in cotton prices has resulted in higher input costs for the spinning sector in the country leading to some financial stress. Accordingly, Ministry of Textiles has decided and directed Cotton Corporation of India (CCI) to sell its existing stock purchased under Minimum Support Price (MSP) to Spinning Mills in the Micro, Small & Medium Enterprises (MSME) category only. CCI has commenced the e-auction sale of its balance unsold stock with effect from 2.8.2016 to the Small Scale Industries (SSI) units registered with the office of Textile Commissioner and the Government Co-operative mills which are fully dependent on them for their cotton requirements.

(c): No, madam. The financial assistance provided to Textile units under Technology Upgradation Fund Scheme (TUFS) by way of Interest Reimbursement/Capital Subsidy is marginal as compared to the loan amount received by them from Banks.

(d) & (e): Under Modified Technology Upgradation Fund Scheme (M-TUFS), subsidy has been released upto the quarter ending March, 2016. Under Revised Technology Upgradation Fund Scheme (R-TUFS) and Revised Restructured Technology Upgradation Fund Scheme (RR-TUFS) subsidy has been released upto the quarter ending December, 2015. In order to ease the situation, CCI has started to sell its stock to SSI spinning mills.
