ANSWER

**MINISTER OF STATE IN THE MINISTRY OF INFORMATION AND BROADCASTING
(COL. RAJYAVARDHAN RATHORE (Retd.))**

(a) & (b): In order to ensure focused integrated communication at the grass root level, the activities of a few Media Units, operating at field level, have been converged through the functional integration of Directorate of Field Publicity (DFP), Song & Drama Division (S&DD) and Exhibition Wing of Directorate of Advertising & Visual Publicity (DAVP). As a result of this functional integration, DFP, in addition to its existing activities, shall be responsible for conducting Public Information Campaigns (PICs) and Principal Director General, Directorate of Field Publicity (DFP) shall also be responsible for supervising the activities of Song & Drama Division (S&DD) and Exhibition Wing of Directorate of Advertising & Visual Publicity (DAVP).

(c) & (d): Due to the functional integration of Song & Drama Division (S&DD), Public Information Campaign (PIC) activities of Press Information Bureau (PIB) and Exhibition Wing of Directorate of Advertising & Visual Publicity (DAVP) with Directorate of Field Publicity (DFP), the working of all these units would be synergized and a more cohesive messaging to the people would emerge. Further, this merger would minimize the overlapping of activities which would result in a more effective and focused rural outreach.
