ANSWER

MINISTER OF STATE IN THE MINISTRY OF FINANCE

(Shri Arjun Ram Meghwal)

(a) As per Import data shown below, there is an indication of decrease in the demand of gold and silver recently. But, Price fluctuations are a part of market activity and at trade level prices sometimes are higher or lower depending upon local situation of demand and supply and other expectations including geo-political events, economic developments.

Period	Import of Gold (QTY IN TONS)	Import of Silver (QTY IN TONS)
From April, 2015 to June, 2015	212.50	1827.30
From April, 2016 to June, 2016	117.05	995.88

(b) & (c) Government has not issued any directions in this regard. However, to reduce the country's reliance on the imports of gold to meet the domestic demand and to reduce the demand for physical gold; Government launched Gold Monetisation Scheme and Sovereign Gold Bond Scheme in November, 2015.
