ANSWER

MINISTER OF STATE IN THE MINISTRY OF FINANCE

(SHRI ARJUN RAM MEGHWAL)

- (a) To promote industrialization in the States of North Eastern Region leading to overall growth of the region, the Government announced a package of fiscal incentives, namely the North East Industrial and Investment Promotion Policy (NEIIPP), 2007, w.e.f. 01.04.2007 for a period of 10 years. The sunset clause for the scheme is 31.03.2017. Incentives/benefits available under the scheme include (i) Central Capital Investment Subsidy @ 30% of investment in Plant and Machinery, (ii) Central Interest Subsidy @ 3% of working capital loan availed for a period of 10 years from the date of commencement of commercial production (DOCP), (iii) reimbursement of insurance premium paid towards insurance of fixed capital assets for a period of 10 years from DOCP, (iv) Excise Duty exemptions based on "Value Addition" norms specified by Department of Revenue for a period of 10 years from DOCP and (v) 100% Income Tax exemption for a period of 10 years from DOCP.

Fresh registration of industrial units for claiming benefits of the schemes under NEIIPP, 2007 has been suspended w.e.f. 01.12.2014, since committed liabilities under the Package are far greater than Annual budget allocation. However, the scheme has neither been cancelled nor withdrawn. Allocation funds under NEIIPP, 2007 for the last three years and current year is as below:-
