ANSWER

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DR. MAHENDRA NATH PANDEY)

(a) to (f): The Karnataka State Open University (KSOU), Mysore is a State University offering courses on the distance mode. It was accorded institutional recognition by the Distance Education Council (DEC) of Indira Gandhi National Open University (IGNOU) up to 2012-13.

For the year 2013-14, the UGC had withdrawn the approval since the university was found to have violated the norms, specifically the territorial jurisdictional aspect in imparting general, technical & professional courses/programmes without the prior approval of the statutory authorities.

Subsequently, the university agreed to abide by the norms and guidelines of UGC and requested to accord recognition for the years 2013-14 to 2015-16. The Expert Committee consituted to examine the matter however, had not recommended the ex-post facto approval for the years 2013-14 and 2014-15.

Further to consider the recognition for the year 2015-16, another Expert Committee visited the university in December, 2015 and found various violations of the UGC norms and therefore approval could not be granted for year 2015-16.

The action of UGC is in accordance with the regulatory framework.
