ANSWER

**MINISTER OF STATE FOR TOURISM (INDEPENDENT CHARGE)
(DR. MAHESH SHARMA)**

(a) to (d): Provision of Safety to tourists for various activities of tourism including safety-precautionary measures to prevent any un-toward incident including declaring of 'Selfie Danger Zones' at tourist sites is the primary responsibility of concerned State Governments/UT Administrations.

However, the State Governments of Kamataka and Maharashtra have informed that they have taken measures to create awareness through signages indicating danger zones including selfie danger zones.

The Ministry of Tourism also takes up the issue of ensuring safety and security of all tourists, domestic and international, with the State Governments and UT Administrations from time to time.
