ANSWER

MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS; MINISTRY OF SHIPPING AND MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI MANSUKH L. MANDAVIYA)

(a) & (b): The revision of the National List of Essential Medicines (NLEM) is done by Ministry of Health and Family Welfare. NLEM 2015 was notified vide Ministry of Health and Family Welfare notification dated 27th December, 2015. Department of Pharmaceuticals vide notification dated 10.03.2016 has amended Schedule-I of DPCO, 2013 substituting NLEM, 2011 with NLEM, 2015. At present 790 scheduled formulations are under price control (NLEM 2011 and NLEM 2015).

(c): National Pharmaceutical Pricing Authority (NPPA) issues notices for overcharging as and when price violation cases come to notice based on the reports received from State Drug Controllers or based on samples purchased from market or complaints received from NGOs / individuals or based on data. Action for recovery of the overcharged amount is taken as per the provisions of Drugs (Prices Control) Order, 1995 (DPCO, 1995) and Drugs (Prices Control) Order, 2013 (DPCO, 2013). The cases are also referred to District Collector for recovery of the overcharged amount as arrears of land revenue under Section-3 of Essential Commodities Act, 1955.
