There is, however, no proposal under consideration to reduce the cancellation charges for confirmed tickets.

(b): The announcements made in the Rail Budget 2016-17 are being monitored to ensure their implementation at the earliest. A large number of announcements have already been implemented or action initiated to implement them, some of which are enhancement of Senior Citizen Quota, Extension of 'VIKALP' Scheme, ticket booking through international credit/debit card, cancellation of tickets through Railway Enquiry No.139, extending e-catering services to all 408 A1 and A class stations, availability of adequate wheel chairs, enforcing reservation in catering units to Scheduled Castes, Scheduled Tribes, Other Backward Class, Women and Divyang etc., making mandatory catering services optional in trains, availability of children's menu items on trains as well as baby food at stations, exploring the feasibility of providing an option to the customers for drinking tea in Kulhad etc.

(c): Ministry of Railways has not proposed any such scheme.

(d): Waiting list of train is monitored on regular basis and to cater to additional rush during peak periods, special trains are run and load of existing trains are augmented subject to operational feasibility.
