(b): The District Level Advisory and Monitoring Committees (DLAMC) shall be chaired by the senior most elected public representative in the district as per the order of warrant of precedence. The composition of the DLAMC includes all elected members of State Legislative Assembly from the district; Mayors and Chairpersons of all Urban Local Bodies (ULB) of the district; Chairperson of Urban Development Authority of the district; officials of various State/UT departments; and eminent persons.

The functions of the DLAMCs are to review & monitor progress under the schemes and programs of Ministry of Urban Development and Ministry of Housing & Poverty Alleviation; review improvements in service level indicators of each ULB of the district; promote inter-sectoral convergence of resources for projects; review progress of reform implementation with special focus on e-governance and ease of doing business regarding construction permits; advise state/central government regarding bottlenecks in implementation; and suggest approaches for effective citizen engagement. The DLAMC Guidelines have been issued to all States & UTs and can be accessed on the Ministry's website at <http://moud.gov.in>.

(c): The involvement and guidance of DLAMCs to the schemes would help in successfully delivering the desired outcomes in an inclusive and sustainable manner across the country.
