GOVERNMENT OF INDIA MINISTRY OF ROAD TRANSPORT & HIGHWAYS

LOK SABHA UNSTARRED QUESTION NO. 824 ANSWERED ON 21ST JULY, 2016

GREEN CORRIDORS

824. KUMARI SHOBHA KARANDLAJE: SHRI PRATHAP SIMHA:

Will the Minister of ROAD TRANSPORT AND HIGHWAYS सड़क परिवहन और राजमार्ग मंत्री

be pleased to state:

- (a) whether the Government proposes to create Green Corridors/separate lanes for emergency vehicles like Ambulances, Fire Tenders and Police Vans, if so, the details thereof;
- (b) whether the Government also proposes to formulate any policy for impounding vehicles deliberately blocking emergency vehicles, if so, the details thereof;
- (c) the total number of vehicles on roads at present in the country;
- (d) the increase in number of vehicles expected to be on roads during the next five years; and
- (e) whether the Government has prepared any action plan to improve public transport system to decrease the traffic problem in cities/metros?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF ROAD TRANSPORT AND HIGHWAYS (SHRI PON. RADHAKRISHNAN)

- (a) & (b) As per Rule 10 of Rules of Road Regulations, 1989 under the Motor Vehicles Act, 1988, every driver shall, on the approach of a fire service vehicle or of an ambulance allow it free passage by drawing to the side of the road. Implementations of provisions of Motor Vehicles Act and Central Motor Vehicles Rules come under State Government.
- (c) & (d) As per the latest available information received from Vahan Database, the total number of registered motor vehicles as on 31st March, 2016 were 19,16,73,947. The Compound Annual Growth Rate of total Registered Motor Vehicles in India for the last 5 years i.e. from 2011 to 2016 was 94.40%. The increase in number of vehicles expected to be on roads during the next five years depends on the new policy of State Government and Government of India.
- (e) 'Urban Transport' is intertwined with Urban Development, which is State Subject. However, Ministry of Urban Development has taken following initiatives to improve the traffic problem in cities/metros:
 - (i) National Urban Transport Policy-2006.
 - (ii) Financial assistance upto 20% for Metro Rail Projects initiated by State Govt.

- (iii) More than 22,500 buses sanctioned to 157 cities/cluster of cities under erstwhile JnNURM Scheme.
- (iv)80% financial assistance is being provided by Ministry for preparation of Comprehensive Mobility Plans(CMPs) and other Urban Transport related studies by cities, 50% cost of DPR preparation for Mass Rapid Transport System is also provided under UT planning and Capacity Building Scheme.
- (v) Ministry has also prepared guidance documents for setting up of Unified Metropolitan Transport Authority (UMTA), Urban Transport Fund (UTF), Bus Operations, Traffic Management Information and Control Centre (TMICC), Public Bike Sharing (PBS) etc. for help of the State Govt/City authorities.
- (vi)More than 1000 city officials have been trained from all over India on Urban Transport issues.
- (vii)Ministry has issued several advisories such congestion charging, innovative financing, UMTA for million plus cities etc. for lthe half of cities.
- (viii) Ministry has also provided financial assistance for Bus Rapid Transit System (BRTS) for 12 cities.
- (ix) Urban Transport component such as BRT, Buses, Footpaths, Cycles etc have been made important component of AMRUT scheme of the Ministry.

In addition, Ministry of Road Transport & Highways has introduced a scheme for providing Central assistance to the States/UTs/State Road Transport Undertakings for strengthening public transport system. The objective of the scheme is to provide financial assistance for use of latest information technology such as GPS/GSM based vehicle tracking system, computerized reservation system, automatic fare collection system, electronic ticket vending machines, passenger information system etc. for intercity and rural area operations and also for working out mobility plan. The increased use of public transport will reduce the use of private vehicles which will reduce congestion on road and decrease traffic problems.
