ANSWER

MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE
कृषि एवं किसान कल्याण राज्य मंत्री (SHRI RAMNATH THAKUR)

(a) to (d): The Government of India is implementing a comprehensive range of Central Sector and Centrally Sponsored Schemes and programmes aimed at enhancing agricultural productivity and increasing farmers' income across all States, including Andhra Pradesh. These schemes encompass entire spectrum of agriculture, including credit, insurance, income support, infrastructure, crops (including horticulture), seeds, mechanization, marketing, organic and natural farming, farmer collectives, irrigation, extension, procurement of crops from farmers at minimum support prices and digital agriculture. The list of schemes implemented by Department of Agriculture and Farmers Welfare (DA&FW) across the country, including Andhra Pradesh, is attached as **Annexure I.**

The details of funds allocated, released and utilised during the last three financial years is given at **Annexure-II**. The district wise physical targets are set and monitored by concerned State Government, however, the scheme-wise physical progress is provided at **Annexure-III**. Under various schemes implemented by DA&FW, beneficiary data is not maintained centrally.

(e): The State Governments submits proposals under Centrally Sponsored Schemes in the form of Annual Action Plans. These plans are approved by the Project Approval Committee (PAC) held under the Chairmanship of Secretary (DA&FW) in accordance with scheme guidelines, availability of funds, and technical feasibility. Proposals relating to different districts are considered as part of the State's overall plan and are not earmarked separately for the district level at the approval stage.

(f): The Government has taken several steps to strengthen implementation of agricultural schemes and improve farmer outreach across the country including Andhra Pradesh, including effective implementation of Centrally Sponsored Schemes, promotion of crop diversification and sustainable farming practices, capacity building through training, demonstrations and extension services, use of digital platforms for targeted delivery and real-time advisories, strengthening last-mile delivery institutions, support for mechanization and Farmer Producer Organizations (FPOs), and provision of financial assistance and concessional credit to farmers.
