

GOVERNMENT OF INDIA
MINISTRY OF EDUCATION
DEPARTMENT OF SCHOOL EDUCATION AND LITERACY

LOK SABHA
UNSTARRED QUESTION NO - 182
ANSWERED ON 20/07/2026

SC Beneficiaries under Samagra Shiksha

182. Shri Daggumalla Prasada Rao:

Will the Minister of EDUCATION be pleased to state:

- (a) the details of total enrolment of students in Government schools supported under Samagra Shiksha since 2019, in the State of Andhra Pradesh, year-wise and district-wise;
- (b) the number of Scheduled Castes (SCs) students enrolled in the State of Andhra Pradesh, year and district-wise;
- (c) funds earmarked, released and utilized for SC-focused interventions since 2019, in the said State, year-wise; and
- (d) whether the Government has implemented monitoring mechanisms such as public dashboards to assess the effectiveness of Samagra Shiksha in promoting social inclusion and educational outcomes for SC students, if so, provide key parameters and findings and if not, specify the reasons therefor?

ANSWER

MINISTER OF STATE IN THE MINISTRY OF EDUCATION
(SHRI JAYANT CHAUDHARY)

(a) & (b): The year-wise and district-wise enrolment of students including Scheduled Caste (SC) students in Government schools in the State of Andhra Pradesh since the academic year 2019–20 are provided at **Annexure-I**.

(c) Financial assistance is provided to States/UTs based on the proposals received in their Annual Work Plan and Budget (AWP&B), appraisal by the Project Approval Board (PAB), programme norms and availability of funds. The approved interventions are intended to benefit all eligible children, including SC students, in accordance with the principles of equity and inclusion envisaged under NEP 2020.

The year-wise details of funds earmarked, released and utilized, as reported by the Government of Andhra Pradesh under Samagra Shiksha since 2019-20 to 2025-26 are given at **Annexure-II**.

(d) Central Government has established a comprehensive monitoring and review framework under Samagra Shiksha to monitor implementation, equity and educational outcomes. The key mechanisms include:

- **UDISE+**, which provides school-level information on enrolment, infrastructure, teachers, access, equity, retention, transition, gender and social category-wise data.
- **PRABANDH Portal**, which facilitates online planning, appraisal, approvals, financial monitoring and physical progress under Samagra Shiksha.
- **Project Approval Board (PAB)** meetings for annual review of State proposals and implementation.
- Periodic review meetings, field visits and monitoring by the Central and State authorities.
- Large scale assessments at national level conducted by **PARAKH/National Assessment Centre** for measuring learning outcomes.
- Monitoring of Key Performance Indicators (KPIs) relating to access, equity, retention, transition, gender and social inclusion.
- Vidya Samiksha Kendra (VSK), provides centralised, real-time monitoring of learning outcomes and scheme interventions.

Further, as informed by the State, the State Government of Andhra Pradesh has developed Leap App, a consolidated platform covering student profiles, attendance, assessments, entitlements and infrastructure status. In addition, the State maintains separate dashboards and analytics specifically with respect to SC students to monitor their academic performance and outcomes over time, enabling targeted follow-up and corrective action.

These mechanisms enable continual monitoring of educational progress across various social groups, including Scheduled Caste students.
