

GOVERNMENT OF INDIA
MINISTRY OF JAL SHAKTI
DEPARTMENT OF DRINKING WATER & SANITATION

LOK SABHA
UNSTARRED QUESTION NO. †1908
ANSWERED ON 30/07/2026

JJM IN UTTAR PRADESH

†1908. SHRI NEERAJ MAURYA:

Will the Minister of JAL SHAKTI be pleased to state:

- (a) the total number of villages identified for providing drinking water supply through pipelines under Phase-I, Phase-II and Phase-III under the Jal Jeevan Mission (JJM) in Bareilly, Badaun, Shahjahanpur districts and Aonla Lok Sabha Constituency of Uttar Pradesh;
- (b) the number of villages where work has been commenced under Phase-I of the mission;
- (c) the details of the villages in which the target of hundred per cent drinking water supply has been achieved under Phase-I of the mission; and
- (d) whether the executing agency has repaired the roads damaged after completion of pipeline-laying works under Phase-I of the mission, if so, the details and the list of such villages thereof and if not, the reasons therefor?

ANSWER

THE MINISTER OF STATE FOR JAL SHAKTI
(SHRI V. SOMANNA)

(a) Drinking Water is a 'State' subject, and hence, under JJM, the responsibility of planning, approval, implementation, operation & maintenance of drinking water supply schemes lies with State/UT Governments. The Government of India supports the States by providing technical and financial assistance. The Union Cabinet has approved extension of the Jal Jeevan Mission (JJM), with an enhanced outlay and a restructured implementation framework focusing on structural reforms in the rural drinking water supply sector under JJM 2.0.

State of Uttar Pradesh has informed that the total number of villages identified for providing drinking water supply through pipelines under Jal Jeevan Mission (JJM) in Bareilly, Badaun, Shahjahanpur districts and Aonla Lok Sabha Constituency of Uttar Pradesh are as follows:

S.No.	District	No. of Villages under JJM
1	Bareilly	1866
2	Shahjahanpur	2088
3	Badaun	1476

AONLA LOK SABHA Constituency

S.No.	District	No. of Villages under JJM
1	Bareilly	749
2	Badaun	553
Total		1302

(b) As informed by the State, the number of villages where work has been commenced under JJM in districts Bareilly, Shahjahanpur, Badaun and Aonla Lok Sabha Constituency are 1866, 2088, 1476 and 1302 respectively.

(c) The details of the villages in which the target of hundred percent drinking water supply has been achieved under JJM, i.e. Har Ghar Jal Reported, are available in public domain and accessible at <https://ejalshakti.gov.in/jjmreport/JJMState.aspx>

(d) The state has informed that in District Bareilly, 100 % road restoration has been completed by the executing agencies in 1369 villages. In 435 villages, the dismantle road has been made motorable. In remaining 62 villages, no road has been dismantled.

In District Budaun, 100 % road restoration has been completed by the executing agencies in 830 Villages. In 616 villages, the dismantle road has been made motorable and restoration work is under progress. In remaining 30 villages, no road has been dismantled.

In District Shahjahanpur, 100 % road restoration has been completed by the executing agencies in 1546 Villages. In 486 villages, the dismantle road has been made motorable and restoration work is under progress. In remaining 56 villages, no road has been dismantled.

In Parliamentary constituency Aonla of District Bareilly, 100% road restoration has been completed in 568 villages by the executing agencies and 181 villages, the dismantle road has been made motorable and restoration work is under progress.

In Parliamentary constituency Aonla of district Badaun, 100% road restoration has been completed in 277 villages by the executing agencies and 276 villages the dismantle road has been made motorable and restoration work is under progress.
